Dear Sir/Madam,

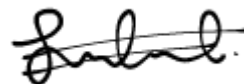

## APPLICATION FOR INTERNSHIP

I am writing to apply for a three months internship position at Axum Technologies. I am a passionate and motivated 200 level student pursuing a degree in Computer science at University of Calabar, with a strong interest and knowledge in technology and computer programming. I have practical experience in programming languages, software development methodologies, graphics design, animations, video editing along with leadership skills developed through extracurricular activities.

I have experience with software developers, where I worked on a team to develop a website with over 70 thousand active users. I am confident that my skills, determination, and eagerness to learn would make me a valuable addition to the team. I am particularly interested in joining Axum Technologies due to its reputation for innovation and commitment to excellence.

I have attached my resume and necessary documents for your review and would greatly appreciate the opportunity to discuss my application further. Thank you for considering my application.

Yours sincerely,

Igbeng, Emmanuel Emmanuel.
